### Good to know:

**About age** – it's the age at the time of purchase that will determine the price category.

Example: if your child turns 7 in January when you are planning to go skiing, the child can still use the 0-6y/o pass if purchased prior to the date of birth

**Skipass for multiple days** – only consecutive days, not possible to take "a day off"

**P.A. card** – If you have a medical P.A. we offer a free skipass for one P.A. Documentation when collecting the skipass is required.

**Parents pass** – For those who are not able to ski at the same time, and want to share a skipass for the week. Only available for purchase in store.

Prices in this form are subject to errors. Prices in store and online shop is correct.
